

DYRFAL HOLSTEIN YOUNGSTOCK PEAK AT 1,750GNS

Prices peaked at 1,750gns at the dispersal sale of the youngstock section of the pedigree Dyrfal herd of Holstein Friesian dairy cattle for Oliver and Edward Partridge at Monmouth.

The top price was for an in-calf heifer sired by Glamour Achieve and due to calve in August to Cogent Supershot.

June calving heifers by Seagull Bay Colonial also in-calf to Cogent Supershot sold to 1,500gns.

Yearling heifers by D G Brody and out of a 12,549kg dam and 14,914kg grand dam sold to 800gns.

Heifer calves sold to 920gns for a Cogent Supershot daughter off a Ladys Manor Savior Cow and a 16,771kg Braedale Goldwyn grand dam.

Averages:

78 served heifers £1,029

44 yearling heifers £581

74 heifer calves £359
