**2,550 GNS TOP FOR DEEWERN HOLSTEINS**

The dispersal sale of the milking portion of the pedigree Deewern herd of pedigree Holstein Friesians for Simon and Andrew Shone held on their farm on the edge of the village Shocklach, Maplas, Cheshire attracted a number of volume buyers from as far afield as South West Wales.

Prices peaked at 2,550gns for a third calver that had calved in March being purchased by a Carmarthenshire buyer.

The same West Wales buyer gave 2,400gns for another three, a February calved heifer by Glamour Achieve, a March calved heifer and an April calved second calver sired by Endco Evolve.

Another April calved second calver sold for 2,400gns to a Staffordshire buyer.

A brace of fresh calvers went to the same Cheshire home at 2,400gns, a March calved Endco Evolve sired second calver and a May calved third calver.

In calf heifers sold to 2,000gns for an early Autumn calving daughter of Nortonhill off a 10,055kgs Brody dam to a North East Wales buyer.

Averages:

157 milking cows and heifers £1,716

13 in calf heifers £1,838
